2009 Kern County Record Book Changes/Guidelines

Information for Community Club Leaders:

- ❖ When sending books to the county judging there are ***new*** judging ratios to follow:

# of Books:	# of Judges to Provide:
1-5 Books	1 Judge
6-10	2
11-15	3
16-20	4
21-25	5
26-30	6

(*** Upon check-in of the record books be prepared to provide your judges names, phone number, and address)

- ❖ When submitting books to *county judging*, please actually check the contents of the book as you are checking the check off sheet portion of the **mandatory** “4-H Record Book Judging Application” (a.k.a. Entry Form). This is available on our county website. (Please also note that this requires the member, parent & community club leader’s signatures).
- ❖ Make sure Personal Development Reports (PDR) have your required signature. This is a crucial part of a ‘complete’ record book.

Information for EVERYONE:

- ❖ When submitting books to *county judging*, please include the **mandatory** “4-H Record Book Judging Application” (a.k.a. Entry Form). This is available on our county website. (Please also note that this requires the member, parent & community club leader’s signatures).
- ❖ Make sure Personal Development Reports (PDR) ***and*** Project Report forms have ALL required signatures. This is a crucial part of a ‘complete’ record book.
- ❖ Regarding page numbers or tabs....***one or the other*** is required. You may choose which of the two methods you would like to use, but you must use something.
 - If choosing to use page numbers: they should typed (included in the document) or handwritten. (You will not be counted down for handwritten numbers; as long as they are neatly written and legible)
 - If using tabs: make sure they do not stick out farther than your record book cover or folder. If white, off white or clear tabs cannot be found (as suggested) we will accept colored tabs. (This will only be an exception in our county).
- ❖ When filling out your **Annual Project Report** forms please use the following guidelines:
 - Fill in ALL sections (not every single box) with something; if you do not have something that will pertain to the specific section, please fill in with “n/a”.
 - When listing your meetings/activities on your Project Report forms, please distinguish meetings from other activities by simply adding meeting to the line, before your description. (ex. Meeting – Learned how to properly wash and groom our animals.)

(The pincushion style we will be making!)

Sticks and stones can break your bones,
But words will really hurt us....

Mignonne Pollard, Ed.D.

In every code of conduct, it states that 4-Hers must maintain a certain level of respect and use language appropriately. This agreement extends to electronic media as well as in-person meetings and events. Ask yourself, "is it okay for a 4-H member to spread rumors at an event? Is it okay for a 4-H member to write insults on their Facebook page about each other or about staff? What happens at camp if someone plays an offensive song from an MP3 player or iPod? What if a 4-H member constantly calls someone else hurtful names?" These activities are not acceptable—they break the California 4-H code of conduct. We can help to prevent these situations with a little knowledge.

Several schools and many 4-H clubs use a program focused on youth ethics called "Character Counts"—the pillar of character that deals with respect seems so simple:

Respect: *Treat others with respect, be tolerant of differences, follow the Golden Rule, be considerate, use good manners, deal peacefully with disagreements, don't use foul language.*

Character Counts is one program that is exemplary of how we can continue to provide lessons that address ethics and morals.

(www.charactercounts.org, or see new leaders publication by NJ at:

<http://njaes.rutgers.edu/pubs/pdfs/4h/e148/365-368.pdf>).

For more information on appropriate language use on the internet see this Journal of Extension article that outlines internet language and use by Bovitz (2007) an agent in Georgia:

<http://www.joe.org/joe/2007april/tt1.php> or California's own guidelines for web use <http://www.ca4h.org/4hresource/updates/attach/2009/June09/4-HYDPWebsiteProcess-Guidelines-2.doc>

Let's keep 4-H a safe learning environment for all.

County Record Book Judging

County Record Book Judging will take place Saturday July 25. Each Community Leader has received a packet of information related to this judging process. Leaders from each club should get together to evaluate all record books from their club. Record book check sheets are available for this process. Clubs may submit up to four junior and four senior record books in each project area for county judging. Each of these books must be signed by the Project Leader and the Community 'Club Leader.

Judges will select medalists and a county winner in both the Junior and Senior Divisions. These winners will be honored at the Achievement Program.

Books that are submitted for judging must include appropriate record book forms. Each club submitting books needs at least one adult to serve as judge for every one to five books submitted.

Important Reminder for 4-H Families Exhibiting at the Kern County Fair!

4-H members exhibiting any project at the 2009 Kern County Fair must submit an up-to-date Record Book for review by the Leader's Council. Record books are due at the UC Extension office, 1031 S. Mt. Vernon Avenue, Bakersfield on Tuesday, August 11, 2009. The book must include, at a minimum, a completed Personal Development Report form and an Annual Project Report form for each project. Record book forms can be downloaded from: <http://www.ca4h.org/4hresource/forms>.

Please keep in mind that Cloverbuds are the **only** youth exempt from this rule.
